

Miniature Circuit Breaker FTB1

Roted Working Voltage(V):	230/400
Roted Current(A)	20,25,32,40,50,63,80,100
Product Model:	FTB1
Poles:	<div style="display: flex; justify-content: space-around; text-align: center;"> <div>1P </div> <div>2P </div> <div>3P </div> <div>4P </div> </div>
Rated/working Breaking Capacity	L: 15,7.5 H:25,12.5
Impulse Withstand Voltage :	6
Tripping characteristic :	E
Electric arc distance(mm)	≤ 35
Mechanical life	10,000
Insulation function	YES
Pollution degree	III
Ambient temperature (°C)	-5~+40
Accessories	
Auxiliary contact:	OF
Auxiliary contact and alarm contact:	OF+SD
Shunt release:	MX
Shunt release and auxiliary contact:	MX+OF
Under voltage release	MG
Busbar mounting base	MP
Motor-driven operation	CD
